DUTCHED SHED BUILDS — CHARITY SALE

CHARITY SALE

DISTINGUISHED GENTLEMAN'S RIDE
UTRECHT · 17 MAY 2026

A 1982 Honda CX500 generously donated by **Bob Dorrestein** — pulled from stock and rebuilt into a rugged adventure/scrambler for the Distinguished Gentleman's Ride. Inspired by **BJ from Brickhousebuilds**, every part was chosen with intention: more ground clearance, off-road capability, and real workshop character. A huge thanks to Bob for making this charity build possible. The build will be finished before handover. Interested? Make your offer via the contact page.
